National Guild of Hypnotists

Nursing Continuing Education Credits

The National Guild of Hypnotists is proud to announce the offering of Nursing Continuing Education Credits for the 2008 Convention and all Pre and Post Convention Workshops.

One **Continuing Education Credit** will be awarded for each 60 minute contact hour. A one-hour seminar equals 50 minutes toward a contact hour.

This is a great breakthrough for all NGH members and a special bonus to nurse hypnotists.

Nurse Continuing Education Credits are made available by Healthy Visions, a Ron Eslinger Company.

Healthy Visions is an approved provider of continuing nursing education by the Alabama State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation (ASNA Code Number 5-311).

Last Minute Reminders About Attending The NGH Convention

- ✓ **Tax Deductions** may be allowed for educational expenses, including tuition, travel, meals, and lodging undertaken to maintain and improve professional skills. Check with your accountant.
- ✓ **Meeting Policies:** No Smoking in seminar or workshop sessions. Please complete an evaluation form at the convention to provide feedback to NGH for continued improvement of subject matter content and future selection of presenters. Convention badges must be worn by attendees at all times.
- ✓ **Tape Recording:** Professionally produced CD's of individual sessions or of the complete convention can be ordered during the NGH Convention. No personal tape recording is permitted.
