

2008 NGH CONVENTION BLOG

SUMMARY

National Guild of Hypnotists.

dateline : May 18, 2008

THANK YOU: Tom Nicoli, Wendy Packer, Ardean Calloway, and C. Scot Giles !

THANK YOU: Robert Dunscomb, Carol Deniker, Sean Hammond, and Bob & Joan Reese !

THANK YOU: Georgina Cannon, Jacob Bimblich, Kathy Lindert, and Jerry Valley !

Why the accolades and round of applause? Because these members of the National Guild of Hypnotists all took a few minutes out of their busy schedule and recorded a short testimonial about their experience at the **NGH Convention**.

Nothing—*absolutely nothing*—speaks more strongly than personal endorsements for explaining how valuable, and often life-changing, attending the NGH Convention can be.

Carol Deniker said, *“The Guild works hard to keep it fresh and exciting and the trainers are TOP NOTCH and GENEROUS!”*

Tom Nicoli shared that, *“Attending the NGH annual convention in August is a sure fire way for me to increase my knowledge in many areas as a hypnotism professional, network with colleagues, meet with old friends and uplift my spirit.”*

And C. Scott Giles explains, *“No where else do you find such a collection of talented people eager to share what they know with their colleagues.”*

Leaving your message is simple. You don't have to be a technology guru to do it. Go to: <http://www.nghmember.com/nghtestimonial.html>.

It's as simple as 1-2-3. First, fill in the blanks with your name and contact information. Second, type your message. And third, call: (214) 615-6044, ext. 9877, wait for the tone and then speak the same message you just typed. Click any key when you're finished, and Press 3 to save the recording. That's it. You're done! Then watch the NGH Convention 2008 Blog for your message to appear. Depending upon the number of messages received each day, yours should post within 1-7 days.

Finally, get the maximum benefit out of your efforts by: (1) emailing your friends, clients, and colleagues with the link, so that they will visit the NGH Blog and hear what you had to say, and (2) putting a link on your own website or your blog to your testimonial on the NGH blog site.

It's a win-win-and **win** effort, and it will take you less time than it does to drink a cup of coffee or read the sports page.
